

# Our Lady of Mt. Carmel School Elmsford, New York

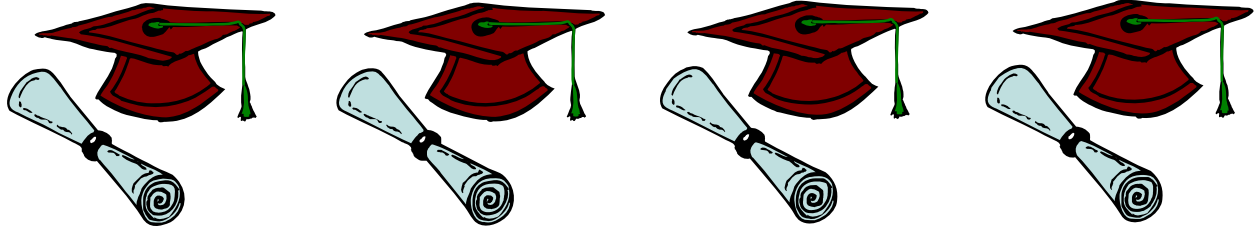

Class of 2007

*The Graduates of 2007  
dedicate their yearbook  
with honor and sincerity to  
Mr. William Malone*

*Mr. Malone dedicated his time to saving lives  
and uplifting spirits as a fireman. He has  
done so much for our school and community.  
Not only that, but he has been like a second  
father to us, helping out with parties and  
always being there, either as a chaperone or  
parent driver for our field trips. Words  
cannot express how much we miss and respect  
him. We'll always hold him dear in our  
hearts.*

*With love and affection,  
The Class of 2007*

*June 16, 2007*

*Dear Graduates,*

*"Are You looking for the Holy One?*

*I am in the next seat.*

*My shoulder is against yours."*

*Kabir, a great Indian poet*

*As you leave your childhood behind you carry with you the best teachings OLMC could provide you with. An awareness of God's love in each of you individually and the charge to make that love light up your life and the lives of all whose paths cross yours. You have been given the foundations of civilization in the teachings of math, English, social studies, science, music, art, technology, and physical education. Be the Renaissance man or woman you are called to be. Your academic journey has begun. Know that it is a life-long journey and as any journey, enjoy the anticipation, stops and scenery along the way.*

*You are your parents' gift to the world. You carry their pride, hope and love with you into the future. The faculty and all of us here at Our Lady of Mt. Carmel join with them in looking forward to your future. Each of you has within you the seed of greatness. Water that seed with love, shield it from the harm of the world and nurture its growth with random acts of kindness.*

*As you continue your academic studies, continue to grow in knowledge not only of the world, but more importantly of yourself. Know the possibilities of you and know the obstacles to your growth. Be prudent in your choices.*

*Your childhood has past, the future holds endless possibilities. The future will be determined by your choices, just know you are never alone. Keep the lines of communication open with God and your future will be all that you hope it will be. Remember to pray daily and stay close to Our Lady of Mt. Carmel.*

*God bless and keep you and yours.*

*Sincerely yours in Christ,*

*Sr. M. Stephen, RDC*

*Dear Graduates,*

*I have selected this poem to convey my wishes for your continued success as you leave OLMC and take the next step in your life. May God bless each of you.*

*Sr. Margaret*

“You can spend your whole life building  
something from nothing  
one storm can come and blow it all away  
Build it anyway

You can chase a dream  
that seems so out of reach  
and you know it might not ever come your way  
Dream it anyway

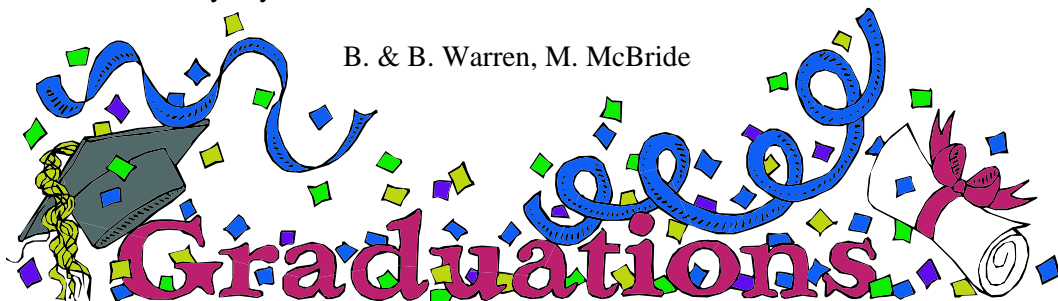

This world’s gone crazy  
and it’s hard to believe  
that tomorrow will be better than today  
Believe it anyway

You can love someone with all your heart  
for all the right reasons  
and in a moment they can choose to walk away  
Love ‘em anyway

You can pour your soul out singin’  
a song you believe in  
that tomorrow they’ll forget you ever sang  
Sing it anyway

God is great  
But sometimes life ain’t good  
and when I pray  
it doesn’t always turn out like I think it should  
But I do it anyway”

## *Letters to our parents*

Dear Mommy and Daddy

I love you guys so much! Thanks for putting me in a great school with good education and great friends. I'm never going to forget all the crazy and fun times we had together. You've always supported me in whatever I have done and it helped a lot. I thank you for blessing me with 2 awesome older brothers and a little cute one too.

Mom, you have good taste in clothes and you are always ready to get a party started. Mom, you could be very loud at times. Dad, when ever I need advice or someone to talk to, you're there. Unlike mom, you're very quiet.

So guys, no matter if I'm 21 or 55, I'm always going to be your little princess. I love you guys so much, words can't even explain! There are no better parents a kid could wish for and I never want to lose you guys.

xoxo\*mwuahzz\*

Love,  
Brit a.k.a Jlo

Dear Mommy and Daddy,

I want to thank you for sending me to this school. The teachers were great. You never gave me more or less love and attention than you did to Gerard and Joey. You treated us all the same. You supported me through thick and thin. You gave me hope that someday my illness would go away. You stayed with me through doctor visits and when I was in the hospital. For that I want to say I love you and thank you!!

Love your favorite daughter,  
Nicole

Hello Mom and Dad!

As a Mount Carmel tradition, I am writing you a letter of gratitude for sending me to this great school. This was a wonderful and happy year for me as I met new people and friends that I never knew before. I wish I could have been here a long time. It was only 1 year, but it was a year of joy and happiness. Thank you for paying this school so I could come here.

Thank You!  
Hector

Dear Mom and Dad,

In this letter I want to say thank you. I am thanking you for making the right decision by transferring me from St. John's into Mt. Carmel. In the 7 years I have attended OLMC I have experienced a lot, the good and bad. Throughout these 7 years I have met and became friends with great people. Thank you for sending me to a parochial school that took my education seriously and cared about how I did in life, just as you do. Mt. Carmel has shaped me into someone I never knew I could be. They've helped me become a responsible young lady, with high goals, with hopes and dreams to be accomplished in the future, and live my life to the fullest. All my teachers were great from when I was a restless little girl with Sr. Ruth, all the way up - ending as a respectable young woman with Sr. Margaret. Without your guidance I wouldn't be writing this letter to you. Once again, thank you.

I love you,  
XOXO Tyla

Dear Mom and Dad,

I couldn't thank you enough for sending me to Mt. Carmel. I have made so many friends since Kindergarten. I am definitely going to miss everyone in this school. I am looking forward to my next 4 years in high school. I thank you for all you've done for me and I love you both.

Love always,  
Jackie ♥

Dear Mom and Dad,

Thanks for putting up with "Dark and Twisty Meredith." Seriously! You were always there for me when I needed you most. Thank you for letting me follow my dreams and always supporting me with all of them. You loved me when times were rough and made me laugh when I was sad. Thank you for being such great parents and for loving me so much.

Love,  
Alicia

Dear Mom and Dad,

I just wanted to thank you very much for sending me to Our Lady of Mount Carmel for the past 5 years. I've learned so much and made many new friends. I also wanted to thank you for being there for me when I needed you. You helped me through the bad times and have been there for the good. You made me the young man I am today. I thank you both so much.

Love,  
Luis

Dear Mom and Dad,

Thank you for sending me to Our Lady of Mt. Carmel. These past nine years have been great !!! Thank you for supporting and helping me through it all.

Love,  
Bryana

Dear Mommy,

Thank you for always supporting and loving me. You are the best mom I could ever ask for. God knows that we've been through our rough times, but you've always made it better. I can't thank you enough for sending me to Mt. Carmel, I've enjoyed all of my time there. You've helped me become the person I am today and the person I will be in the future. Thank you for always pushing me to my highest potential. I love you so very much.

God Bless & Love,

Alyssa

Dear Mom & Dad,

For 10 years I've always wondered why you sent me to Our Lady of Mt. Carmel. This year I finally realized why you picked Mt. Carmel over all of the schools. You chose Mt. Carmel because the teachers are nice & loving, the students are fun & welcoming, overall Mt. Carmel is a great learning environment. I'm so grateful for coming here no matter how much I was, and am, scowled at for talking.

What I am really trying to say is "Thanks for sending me to Mt. Carmel."

Love always,  
Meghan

Dear Mom and Dad,

I just wanted to tell you how thankful I am for raising me the way you did. I sincerely think I wouldn't be doing so well if it wasn't for your guidance and for the education you provided for me. Thank you for sending me to Mt. Carmel. This school was a great place for me to succeed and I am very happy with how I finished my elementary school education here.

Thank you for always believing in me and supporting me. No matter what I did wrong you always forgave me. When I had to do something challenging you were always right behind me for help and support and I appreciate that very much. I know you love me from the way you treat me and from the things you do for me. Now I want to show you how much I love and care for you. I will continue to work hard and try to succeed in everything that is to follow in my life. I will be the best person I can be.

Love always,  
Andrew

Dear Mom,

Thank you for making my year in Mt. Carmel great. I am now going on to high school and have more responsibility and be more mature. Even though I have grown I will always be the baby of the family. Thank you for everything you have done for me.

Love,  
Juan

Dear Mom and Dad,

Being here at Mt. Carmel School has been a great experience for me. I've learned values, I got a good education, and I have made good friends. Thank you for helping me with homework when I needed you to. Thank you for giving me advice when I had problems, and lastly, thank you for being the best parents that you could be.

Love,  
Christine

Dear Mom and Dad,

Thank you for always being here for me. Thanks for never losing faith. Thank you for sending me to Our Lady of Mt. Carmel. Thanks for helping me through this long & rough journey. I love you guys so much ... ya'll da bomb ... "lol"

Luv ya  
Dim3y

Dear Mom and Dad,

I want to thank you for sending me to Mount Carmel. I have made many friends, memories, and learned a lot. Thank you so much! I love you!

Love,  
Fabiola

Dear Mom and Dad,

I love you so much and I'm so happy and grateful to God for blessing me by giving me two wonderful parents as yourselves. You are the best parents a girl could ask for. You are always there for me and you assure me that I can count on you for anything when I need help or just to talk about regular stuff. You always know what to say when I need you and you always try to help and cheer me up when something goes wrong. I know we argue sometimes and we get mad at each other but looking beyond that I know that we were always going to love and care for each other. You always tell me the truth even when it's hard to handle and I appreciate that and when something difficult happens we know that we are going to get through it together. You tell me right from wrong and when I'm wrong you help me understand what it is that I did wrong. We have lots of fun together as a family, but we also have our bad times and when we are not in the best mood we always try to make each other feel better and we always make each other smile. You guys are such great parents and I want you to know that I will always be proud of you. I love you!

Love,  
Daniela

Dear Mom & Dad,

I want to thank you for sending me to Mount Carmel. If you had not, I would not have built the family that I have here. Thank you both for driving me to all of the events over the years. Also for attending most of them with me. Thank you for supporting me and all I chose to do over the past 9 years. Some choices may not have been right but you have supported me nonetheless. Also, thank you for always being willing to lend a hand whenever a nun or teacher needed you. It was great to have you both come on some class trips over the years. Thank you, mom, for always being a class parent and bringing me whatever I needed when I needed it. I love you and thank you for all you have done for me. I love you !!!! XOXOXOXO

Your #1 daughter,  
Marielle

Dear Mami and Daddy,

My experience at Mount Carmel has been an interesting one. I've met some new characters, befriended some great people, and have learned a lot. Overall I am happy you sent me here. It's taught me how to meet new people. Next year at high school, I won't be so nervous because I'll be used to it. Mount Carmel has given a great education for the year I've been here. Well, Love ya both!

Sincerely,  
Katie

Dear Mom and Dad,

Thank you for all of the support you've given me over the past years. Thank you for loving me and giving me a great education. I love you for the things you sacrificed for me, and for the forgiveness and compassion you gave towards me. I will love you always.

With love,  
Christina

Dear Mommy and Daddy,

Today's the big day, a day which we were all waiting for. Thank you for sending me to Our Lady of Mt. Carmel, this school has taught me a lot academically, spiritually, and it also made me the person I am today. These 11 years of my life were the best moments I could ever imagine. Mt. Carmel was like a second home to me. All my teachers & friends were great. Thank you mommy & daddy for my good health, and education. I appreciate everything you did for me and what you're going to do for me in the future.

Love,  
Fanette

Dear Mom and Dad,

I want to thank you for everything you have done for me. I also want to thank you for being there when I needed you most. I know I can be a little hard headed at times but you always put up with me. I appreciate it. Thank you for everything. I love you both very much.

Love Always,  
Alessandra ♥

Christina, my dear daughter,

Congratulations! You worked so hard through these years to add another stone to your foundation. Job well done! You make me feel so proud of you. Love you with all my heart,  
Mommy

Dear Andrew,

***Dear Fabiola,***

***When you were born exactly 13 years and 6 months ago, in our hearts, we had big dreams and big wishes to give you. One of the most important was that one day, you would be able to reach a point where you felt proud of yourself and that we would feel proud of you, too.***

***That is why we congratulate you from the bottom of our hearts for reaching one of the first points in life. Keep going forward to strive and succeed, just as you have been doing. We wish you the best today, tomorrow, and always. God Bless you day to day and let him guide you towards good. Remember this always: Mom and Dad will always be there with you for anything you need. In us you will always find a good and true friend. We want only the best for you.***

***Congratulations, we love you,  
Mom and Dad***

Dear Fanette,

I'm so proud of you, I knew you could do it. May God Bless you in your high school years to come.

Love,  
Mommy, Daddy  
Amanda & Daniella

Dear Meghan,

It's hard to believe you are leaving Mt. Carmel. It seems like only yesterday that you posed for the "first day of school" picture. You were so adorable dressed in your blue jumper and teddy tucked safely inside your bookbag. Daddy and I were beside ourselves with joy. We couldn't wait until you came home to hear about your day.

You've made some wonderful friends along the way and I hope you are as lucky at Maria Regina. Take your time and find friends who are as true to themselves as you are to yourself. Meet each Challenge knowing that I am behind you when you need me. I've always been proud of you and I know I always will be.

Love,  
Mommy

Brittany,

As you venture out into a world of your own making, we want you to know how much we love you and how proud we are of you. You are, without a doubt one of the best things that ever happened to us.

We know that whatever you choose to do, you'll accomplish greatness. If you are ever in doubt about anything, just trust your intuition and go with your best judgement because no one knows you better than you know yourself. Brittany, if you ever need help, or advice, or just someone to talk to, we will always be here for you.

Love always,  
Mom ♥ Dad

Dear Christine,

*We love you for all that you are!  
Mom & Dad*

Dear Daniela,

We're very proud of you because you have always shown us that you're strong and responsible. We thank God for the way you are and we hope you never change. Always be as nice as you are now. Thank you for always supporting us in everything and understanding. You are so special and even though we argue you're still our best friend. I hope that in the future you are what we could have been, because you know that in our lives we didn't have the opportunity to be what we wanted to be. You have a good future ahead of you. Don't waste your youth. We love you and always remember that. You are so important to us and we hope that you always follow the right path because you deserve the best in this life and most of all, don't forget that God loves you. Don't forget that if someday you have a problem tell us because we will always support you and have time for you. Count on us, Princess. We love you!

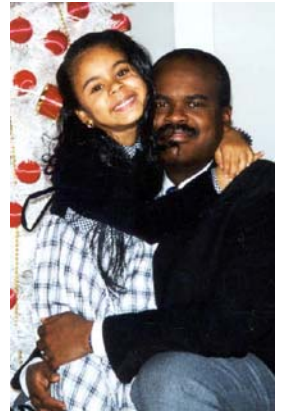

Love,  
Your Mommy and Daddy

Dear Katie,

I would like to Congratulate you on your graduation from Middle School. I would also like you to know that I am extremely proud of you. You have been an excellent student and a great daughter and I love you very much. You are now getting ready to face a new challenge - "High School" - and I expect the same results there as you achieved here.

May God continue to guide you and reward you for your hard work.

Love always,  
Dad

With Love Always,  
Mommy, Daddy, Alyssa,  
Sofia and David

Dear Luis,

We still remember your first day at Mount Carmel and how scared you were of going to a different school. Years have passed and now you are graduating in only a few weeks. We sincerely hope that you had a terrific time with your teachers, classmates and all of Mount Carmel's staff.

You have grown to be a thoughtful, considerate, and well rounded young man. Your experiences throughout all your Mount Carmel years have taught you not only how to read and write but how to be a better person, a good catholic and most important how to be a responsible team player, young adult.

Now you are on your way to a new life, and again like on your first day at Mount Carmel we are scared and a little concerned - our little boy is going to High School. Like before, we want you to know that we are always here for you for both the good and the bad times, the difficult and the easy ones, and most of all we are here for you to help make all your dreams come true and to be the best that you can be.

The sky is the limit!  
Love,  
Mom & Dad

Dear Jackie,

*From the time you were born you have been such a joy and blessing to your father and me. Being the last of our 4 children we know at times you have had more than one "parent." I hope you realize that shows how very much we all love you. Daddy and I are both so very proud of all you have accomplished in the last 10 years at Mt. Carmel. You are a very special young lady who we know will always enjoy life. Jackie, one of your greatest attributes is that you so easily adapt to what everyone else wants and put what you want aside. Always believe in yourself even when things seem impossible remember that anything is possible you just have to work extra hard to achieve it.*

*We can't believe your graduation is almost here. You have spent some of the most important years of your life at Our Lady of Mount Carmel. You will now be moving on to High School and not long after that college. Remember that you are the one who controls your destiny; if you dream it you CAN achieve it with hard work and determination. No one will ever hand you anything in life it must be earned.*

*Remember to always follow your heart! We love you and will always be proud of you. You have and will continue to always bring such joy to our family.*

*All our Love,  
Mom and Dad*

Dear Alyssa,

I remember the first day you walked through the doors of Mt. Carmel. We both didn't know what to expect. You started out a shy little girl. Your journey took many turns, some scary and others that included fun and new friends.

I've seen you turn from that *Little Girl* into a beautiful young woman. You're confident, kind, caring, and you have your grandmother's sense of humor. You excelled in your studies, you've made friends. All of which you'll take with you on the rest of your journey. The foundation for your life has been set.

Wherever you go, always look inward, before you go forward. God will guide you and my love will buffer you.

All my love,

Mommy ♥

Dear Alicia,

*On your first picture, we put the quote from Keats, "A thing of beauty is a joy forever." You have brought such joy to our lives. You are sweet, funny, pretty, athletic and intelligent. We are all so proud of the many things you have done and we know that you will accomplish great things in your lifetime.*

*Life is not easy. Some days are bright and shiny and others are dark and twisty. You are sensitive and compassionate to the needs of others because of all that you have gone through. We know you will always do your best to help others and share your kindness with those around you.*

*This is an exciting time for you, yet it is also sad. Your grade school years are ending, but a new adventure is ahead in high school. It will be a time of learning new things and meeting new people. Take time to enjoy it because each day you move closer to the responsibilities of adulthood. Right now, you feel so grown up, but there is so much left to discover: just remember to have fun along the way!*

*We love you very much and have so many hopes and dreams for you. Stay close to your family and to God. Pray for yourself and those you love. All things are possible when you have faith in God and yourself.*

*"It's closing time and every new beginning is some other beginning's end."*

*With all our love always,*

*Mom and Dad*

Dear Marielle,

*It is hard to believe that we are writing this letter to you as you get ready to graduate from Our Lady of Mount Carmel School. Has it really been nine years already? It truly seems like only yesterday that I was walking you, in your brand new uniform and new school bag, into Mt. Carmel's schoolyard on that first day of Kindergarten. It also happened to be Miss Cavone's first Kindergarten class. You stood, so precious in that uniform, a little hesitant at first, but you took those steps on your own and started to talk to those who would become your classmates for the next nine years.*

*We've been so proud of you as you've worked hard at your studies and have done so well. Your mother and I have beamed and glowed as we watched you perform in school plays and sing with the Glee Club at special events. Our pride grows each time we see you on the altar, almost every weekend. We are especially proud when you have stepped up to serve even when it wasn't your turn. You continue to amaze us with your willingness to help and to serve in all situations.*

*Each year you've matured into such a confident young lady but to me it seems that this precious little girl I escorted to the schoolyard has become this mature young woman overnight.*

*Marielle, the world may not always be what you want it to be, but if you believe that life is worth living, your belief will make it a fact. Marielle, your mother, sisters, Caitlin and Jillian, and I love you and are very proud of you.*

Love

Mama and Daddy

## *Graduation*

A time when friends say good-bye.  
Caps and gown are worn.  
When all eyes are not dry.  
For all graduates a new chapter is born.  
Remembering when we first learned to tie our shoes.  
A group of life long friends have been formed.  
8<sup>th</sup> grade art working with tools.  
As alumni we take a picture on the lawn.

Marielle Coffey

After all this time.  
It is time to graduate!  
We have learned so much.  
Bryanna Batchie

Remember the experiences we share,  
the laughs we had and the tears we shed.  
Memories new and old.  
The friends you made that made you whole.  
The smiles you brought to each others faces.  
Now that we must depart, I will always remember  
my grade school friends in my heart.

Luis Flores

We're finally out,  
We're finally done...  
But our lives have just begun.  
We've always been together,  
So what happens now?  
Can we make it out there?  
Will we see each other again sometime?

Don't let our memories fade,  
But let the sorrows go away,  
Good luck and goodbye...  
Because it's our graduation day.

Juan Irizarry

Standing by you all the way  
Here to help you through your day

Holding you up when you are weak  
Helping you find what you seek

Catching your tears when you cry  
Pulling you through when the tide is high

Just being there, through thick 'n thin  
All just to say you are my friend.  
Diamond Mullings

### *Friends*

In the little time I've attended this school,  
I became close to many people.  
I learned that I will always want and need friends.  
My friends are always there for me.  
They are the ones who pick me up when I fall.  
The ones who will always have my back.  
The ones who love me for who I am.  
These are the kind of friends that I wouldn't want to lose.  
I love my friends, and I don't know what I would do without them.

Fabiola Perez

As the sun sets on this chapter of our lives  
A new chapter begins  
We look back on all our friends  
On all the mistakes we made  
On all the successes we had  
And all the fun we had  
We look back on what we did together  
And we look forward  
Toward what lies ahead  
It is what we did together that prepared us for the future...

Andrew Rodriguez

### *My Last Year*

The years have gone by fast  
But the time has come at last  
This is my last year  
And I can finally graduate from here  
There are some things I will miss  
Some memories  
I hope everyone will remember  
All the good times we had together  
We should have some fun these last few days  
Before we go our separate ways

Alessandra Coronel

We're the 8<sup>th</sup> grade crew  
We're finally done  
It's time to have some fun

We're off to high school  
Yea that's cool  
Just remember, don't act like a fool

I'll remember you forever and always  
Just remember you'll never be lonely  
I'll be there to pick you up  
Even when the worst lightening has struck  
Because you guys were there when I felt trapped in a truck

Forever and always, we'll always be friends  
The 8<sup>th</sup> grade now has come to an end  
Just remember don't let our friendship end  
because now and always is where my heart depends

Brittany Viera

### *Graduation*

Graduation is great  
After that life becomes harder  
Now we find out our fate  
Teachers taught us a lot  
They never would lie  
It's time to graduate  
Time to say goodbye

Nicole Gannon

Elementary school has come to pass;  
 All 10 years have been a blast.  
 Teachers, friends, and report cards,  
 Since Pre-K, we've come so far.  
 History, Science, Spanish, Math,  
 Literature, Religion, and English class,  
 are all of the subjects that we've learned,  
 Now I'm aready for the real world.

Alicia Brosnan

### *Graduation*

Graduation is coming soon,  
 Soon we'll be out and have a fresh start in High School,  
 We'll make new friends, but we won't forget the old ones,  
 Soon we'll have more freedom,  
 But with more freedom, comes more responsibilities,  
 I can't wait for graduation and hold that diploma in my hands,  
 Then I'll know that all these years of hard work have paid off.

Graduation is coming soon,  
 And to High School we'll take all the great times we had at Mt. Carmel,  
 These wonderful memories will never be forgotten.

Daniela Talledo

### *Our Lady of Mt. Carmel*

A home away from home,  
 where a kid is never alone.  
 A place for friends to meet,  
 where parties are so sweet.  
 A place where teachers teach,  
 and priests preach,

and students listen to every speech.  
 A place to call our own,  
 a safe place to be known.  
 Our Lady of Mt. Carmel School,  
 where everything is super cool!

Christina Correia

### *Graduation Time*

A time for Friends  
 A time for Family  
 A time for Laughter  
 A time for Fears  
 A time for Love  
 A time for Memories  
 It's time to Graduate

Meghan Malone

As I step off the bus early in the morning  
 I hear all the children play and shout  
 As I walk to the back of the playground I'm yawning  
 I should've chugged that cup of coffee down  
 As the bell rings I walk with my friends  
 We arrive in the classroom hoping there will be no tests  
 We get in order and sometimes fool  
 Oh Boy, it's just the start of day at school

Katie Brown

In the 7 years I have been in Mt. Carmel  
 my life was pretty great.  
 I made some friends, I lost friends,  
 but that wasn't so great.  
 To graduate finally makes me feel so proud.  
 It makes me want to shout and yell out loud.  
 Doing all my work and all my studies  
 and of course having wonderful buddies.  
 The teachers really made me work hard  
 they made sure I went all nine yards.  
 I thank you Mt. Carmel you're one great  
 chapter in my life.  
 Now high school here I come,  
 a brand new paradise.

Tyla Green

When I first came upon this school  
 When I first saw these new faces  
 when I experienced the fun, the thrill  
 When I heard the basketballs bounce  
 That's when I started my first and last year.

Hector Mendoza

### *Could Never Say Goodbye*

I could never say goodbye to a place where I called home  
 I could never say goodbye to all the wonderful times I had  
 I could never say goodbye to all the great teachers I had  
 I could never say goodbye to all the great friends I had  
 The list could go on but my memories could never end  
 We say goodbye, and share tears  
 but we could never bury our memories  
 Now it's time to say goodbye  
 but we could never be forgotten

Fanette Ceus

### *Memories of the Heart*

As we leave OLMC  
We realize that we are leaving our family.  
There is no time to be sad.  
Now I'm going on to Maria Regina isn't that rad?  
I've made so many friends  
And they'll be there for me to the end.  
We take our friends and lessons in our hearts  
Not afraid of a fresh start  
Our teachers have taught us much  
They've made us so very smart  
And most important of all, they've touched our hearts  
From our First communion to our future Alumni Reunions,  
Our OLMC family will always be there.

Alyssa Valentin

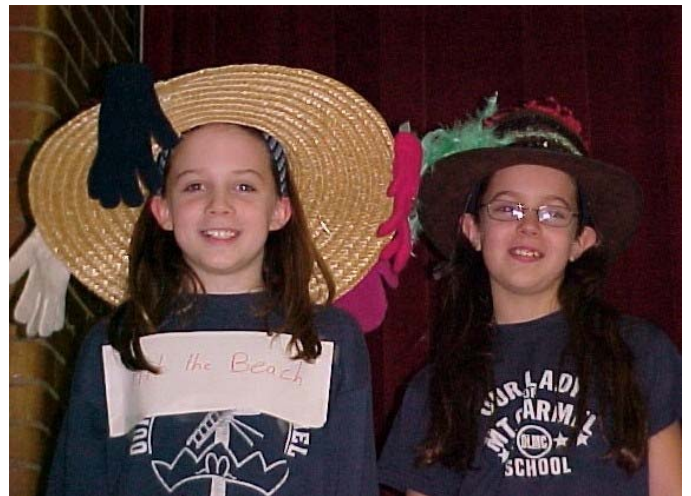

### *10 years of fun*

I started pre-k with Christina, Meghan, Alicia, Fanette & Britt,  
In the kindergarten we played with the junior emergency kit,  
Learning Phonics with Mrs. Pirelli was a first,  
And in the 2<sup>nd</sup> grade there was a ban on starburst,  
3<sup>rd</sup> grade was our chance to laugh and play,  
4<sup>th</sup> grade I had detention almost every day,  
Nothing really happened in the 5<sup>th</sup> grade,  
But in the 6<sup>th</sup> grade, we had it made.  
In the 7<sup>th</sup> grade, Mr. O played the ball game with us  
And now, in the 8<sup>th</sup> grade, Meghan and I run the bus!

Christine Bereth

Through the good times and the bad  
Through the happy times and the sad  
We have made it through the years  
And now it is time to say Goodbye!!!
