# Our yearbook is dedicated to Mrs. Toni Mauro

Mrs. Toni Mauro has been a part of the OLMC family for twenty years. She is dedicated to our school and is a big part of its success. She has many talents that she shares with us. Those talents range from creating and sewing costumes for our children's plays, to teaching computer class for nineteen years. She has used her talents to showcase our school for all its beauty and keep many people connected to our school and parish community. You most likely will find Mrs. Mauro in our office accomplishing day to day tasks, but she is a gem that we have come to love and treasure. We are thrilled this year to be dedicating the yearbook to Mrs. Mauro. This is one small way to show our appreciation for all that she does. Thank you Mrs. Mauro for all that you do and all that you are. We love you!

*Love Always,  
The Graduating Class of 2013*

Dedicated hearts like yours  
Are not so easy to find.  
It takes a special person to be  
So generous and kind.

To care so much for your fellow man  
Is a quality all too rare.  
Yet you give of your time and talents,  
For all in need to share.

So thank you for being a volunteer,  
We're privileged to work with you.  
We want you to know how appreciated you are,  
Not just today, but the whole year through.

Dear Boys and Girls,

Congratulations on your Middle School graduation.

You should know that your moms and dads are very proud of you today. They have high hopes for you, and they believe in you. You are making them proud by showing what you can do. Take a look at them now, and you can see them smiling and snapping photos so they can record this moment forever. Today is an important day for you and for them. Today they are very, very proud of you. Today would also be a good day to hug them and thank them for supporting you, because as much as this is your achievement, this is also the achievement of the people who care about you.

Dear Graduates of the Class of 2013:

Congratulations on your graduation from a Catholic elementary school!

How delighted I am to share my joy with you and your loved ones on this important milestone in your young life. Your Catholic education and formation are a life-long *gift to use to serve one another*, and one, I know, you will value ever more over the years. I am so grateful to your families and guardians for the sacrifices they have made to provide you with the gift of a Catholic education and formation, and I join you in recognizing and thanking them.

Now, as a proud graduate of your Catholic elementary school, you have learned to follow the Gospel teachings and to respond to the needs of others with the kindness and love of Christ. You can have faith in a future where Jesus, the greatest of all teachers, will always be by your side to guide you on your life's journey, no matter what challenges you may face.

As you move on to high school and the years ahead, your Catholic school values will continue to serve you well. I pray you will remember that the Lord's love for you is constant and unchanging. With His love and example as your guide, may you make the most of your opportunities and embrace your future with the grace and knowledge that He is always near.

Again, congratulations on your graduation, and my prayers and best wishes for every future success.

With prayerful best wishes, I am,

Faithfully in Christ,

Timothy Michael Cardinal Dolan

*Through the years Friends are what keep you going.  
They are the ones who come to you first when you need help.  
No matter what you need or say they are always there,  
Through the good or bad, happy or sad they come to your need.  
Every year our bond gets stronger.  
We always stay together,  
Now and forever.  
It's almost graduation,  
And it's time to say goodbye,  
To the Class of 2013.*

*Jalen Andrew Barr*

Friendship

Friendship is a word that is special to many people,  
But for others it is just another word.  
A friend is someone you can trust, who you can rely on,  
And will always be there when you need them.  
A friend is also a person who is nice and funny and always has your back.  
To me a friend is special because they listen to what you're saying,  
And most of the time they understand.

*Andrew Bosch*

### Friends

Friends are far, friends are near,  
Friends will be there to lend an ear.  
They listen, laugh, and care,  
But most of all, they're always there.  
Through thick and thin, up and down,  
Your true friends are always around.  
For treats, hugs and real big smiles,  
They'll travel to you from several miles.  
They'll always be there to hold you tight,  
Anytime, no matter if it's day or night.  
You really know when your friends are sincere,  
When they always show up to lend their ear.

*Dwuayra Thomas*

### Friendship

Friendship to me means loyalty to a friend.  
When your friend is nice to you,  
Treat them with the respect that they give you.  
When you have a good friendship you don't want to ruin it.  
Most of the time you never want to end a friendship,  
But people do come and go.

*Matthew Renna*

### Friends

Friends are unforgettable,  
Especially the ones made here at Mt. Carmel.  
We are always honest with each other.  
We are always there to help each other.  
Even through the thick and thin,  
We stick together as a whole.  
I am very grateful for the friends I made here.  
They will be a part of my life forever.

*Gabrielle Cannella*

### FRIENDSHIP!

To me friendship is a strong word.  
It is something you must earn not just learn.  
A friend is a person you can count on  
Through the good times and the bad.  
You may never find a kind, undefined friend like me,  
Who will always stand right by your side.  
When you do find a friend like me,  
Make sure you too have a great mind.  
Therefore you shall be undefined,  
And happy with a wonderful, grateful mind!

*Nahsma Mayorga < 3*

## Friendship

*Friends are the greatest thing  
With all the joy they bring.  
We stick together through thick and thin  
Because we are like each other's twin.  
Nothing can go wrong when  
We help each other stay strong.  
Through the rainy weather  
We are always together.  
We never say goodbye.  
We only say  
See you later.*

Illiyana Rivera

### Friendship Poem

I've known you since the fifth grade.  
And I know our friendship will not fade.  
You will be my best friend forever.  
And that will not change whatsoever.  
Sometimes we may fight.  
But that lasts until the night.  
Each year our friendship becomes more real.  
I can't describe the love that we have for one another.  
But I will miss you as if you were my own mother.

Sienna Stockton

### MY FRIENDSHIP POEM

Friendship is a bonding between two people.  
When you have a friend they will be there for you in tough times,  
A friend that you can trust and rely on when you are in trouble.  
A real friend wouldn't throw you under the bus.  
They would keep a secret when you are at your last days.  
Somebody that cares for you when you are feeling down,  
When you feel like you just want give up.  
A good friendship will last forever.

Roy Omess Jr.

## Friends

Friends are the people who bring out the best in you.  
They're the ones to pick you up when you're down,  
To make you smile when you frown  
and to always have your back.  
Friends are the people who will stand by you  
through thick and thin.  
They're there for you no matter what.  
I will never forget all the amazing friends I've made.

Lianna Carlucci

### Friendships

Friends are here for you when you need them.  
Some friends got your back, no matter what.  
Friends love you for who you are.  
Make sure of the friends you pick, not all friends are true.  
Pick them wisely or else you may get hurt by one who isn't  
really a true friend.  
Treat them good so they will treat you like you want them to.  
And always be there for them.  
Friendships come and go,  
But the true and real friends will never leave your side.

Andrea Chavez

### Friends

Friends mean a lot to me.  
You are the door and they are the key.  
They are always there for you,  
There are a lot of things you go through.  
That's what makes us stronger,  
And that's what makes us last longer.  
They will be forever in your mind.  
Just remember that they are one of a kind.

Anya Diones

### ***My Friendship Poem***

Friendship means to have faith in a person.  
It means to have someone that will always tell you the truth and never lie to you.  
Friendship is to have a friend that you can tell secrets to,  
And they will never talk behind your back.  
Even through tough times this person will always be with you not against you.  
A friend that you can trust and respect is a good friend.  
So if you have one, do not let him/her go.

*Pablo Lozano*

### **Friends**

**F** - for all the fun times you made me laugh.  
**R** - relying on each other.  
**I** - irreplaceable.  
**E** - extraordinary.  
**N** - never letting me down.  
**D** - defending each other.  
**S** - staying together through thick and thin.

*Lisa Finnegan*

### **Friendship**

So many memories  
That last a life time.  
You deal with me at my best,  
And handle me at my worst.  
You've always had my back,  
Even when I was wrong.  
You had a shoulder  
For me to cry on.

*Alexis LiVeli*

### **Friendship**

Friendship is a great thing.  
There will always be good friends and bad friends.  
There aren't that many good friends in the world,  
But if you find a good friend it will last forever.  
Those friends will help you in anything.  
They will support you and  
You can trust them.

*Julio Lazo*

### ***Friendship***

Friends are there to comfort you when you are sad.  
Friends are always there to help you in your studies.  
Friends are always willing to help you choose the best decisions in life.  
Friends are always willing to give you advice when necessary.  
Friendship is something every one should have.

*Prince Forson*

### **Friendship**

Old friends that are with you forever,  
Help you out when  
You have a fever.  
They will always feel like family,  
So you can live happily  
Knowing you can trust a friend.  
Through the good and the bad,  
I will never be sad.  
We will never forget what real friends share,  
We will always be there.

*Sincerely,  
Malcolm R. Fisher*

### **Friendship**

Life isn't easy  
And it will never be  
But when you  
Have a good friend  
Like me  
The world will always be  
A better place to be.

*Henry Houston*

## Friendship

Friendship could be many things.  
 It could be a weird thing.  
 It could be a good thing.  
 It could be anything you want as long as it is a thing.  
 But the most important thing friendship is,  
 It is a thing of love, loyalty, and trust.  
 So like I said in the beginning,  
 friendship is a thing of many things.

*Vidal Harrington*

## "Friendship"

To me, friends are people who will always be there for you.  
 You can always be yourself around them and they accept you for who you are.  
 When you need a shoulder to lean on, besides your family,  
 Friends are the people you can count on to help you through everything and anything.  
 But watch who you consider your friends to be, not all friends are true friends.

*Gina Corselli*

## Friendship

Friends are people you can trust.  
 They are the most loyal people you know.  
 I will always be grateful to have the friends I have.  
 Thank you for being a friend.

The perfect male graduate, Mount Carmel style, would have Lawrence's eyes and Jalen's smile. His

hair comes from Andrew while Henry contributes a great personality. He shares intelligence with Julio and has Pablo's artistic talents. Musical? Yes, just like Vidal. Prince's athletic ability fits perfectly with Matthew's energy. Truly kind, like Roy, and as trustworthy as Malcolm, our grad is a shining star!

Female perfection, at OLMC, starts with Lianna's hair and Lisa's eyes. She laughs laugh like Sienna while displaying Illiyana's dimples. Certainly stylish, just like Dwuayra, yet Gabrielle lets her personality shine through to combine with Nahsma's kindness and Gina's trustworthiness.

Energy borrowed from Alexis fortifies Anya's athletic abilities. Finally, from Andrea, comes a creative and artistic flair.

She is ready to face the future!

Education

Dear Mom and Dad,

Over the years I've gotten on your nerves, broken things, spilled things and stressed you out. Words cannot come close to expressing how grateful I am to have two incredible people as my parents. I'm sorry I don't always show how much I appreciate all the sacrifices you've made for me, all the love you give me, and every single thing you do for me. Mom, you are such an amazing woman. You're always there to give me advice and you've put up with my attitudes through the years. I couldn't imagine my life without you. I love you so much. Dad, you're not only my inspiration, but my motivation as well. You've influenced me to never give up even when I really wanted to and to try my hardest no matter how difficult it could be. Both of you mean the world to me and I love you more than anything.

Love always, Lianna

Dear Mom and Dad,

Thank you for sending me to this school. I've made good friends through my years here. You supported me with everything especially sports, and school work. And now I'm anxiously waiting to start high school. I'm forever grateful for everything.

Sincerely,  
Jalen Andrew

Dear Mom and Dad,

I really appreciate you sending me to a school as good as Mt. Carmel. I have learned many things here. I have built many relationships that I know will last a very long time. I know you are always there to help me with whatever I need help with. Thank you so much for everything you do for me.

Love,  
Gabrielle

Dear Mom and Dad,

Thank you for sending me from Highview Elementary School to Our Lady of Mount Carmel. I've made many new friends. These past four years have been great! Mount Carmel is a great school. I've learned so much! All the teachers are nice and loving, and they helped me a lot. I'm so grateful to have been here. Thank you for being here to help me when I needed help.

Love your daughter,  
Andrea

DEAR MOM AND DAD,

THANK YOU FOR ALL YOU HAVE DONE. I THANK YOU DAD FOR TEACHING ME HOW TO PLAY BASEBALL, FOOTBALL, AND A BUNCH OF OTHER THINGS. THANK YOU MOM FOR TEACHING ME HOW TO BE A GOOD COOK. I APPRECIATE EVERYTHING YOU HAVE DONE FOR ME OVER THE YEARS. HAVING ME COME TO MOUNT CARMEL HAS BEEN ONE OF THE BEST CHOICES YOU HAVE EVER MADE AND I ESPECIALLY WANT TO THANK YOU FOR THAT.

LOVE ANDREW

Dear Mom and Dad,

**Thank you so much for sending me to Mt. Carmel. Throughout these 9 years I have made plenty of friends and have learned so much. I have experienced a lot in this school, both the good and bad, and it's been an amazing journey. I am looking forward to my next 4 years at Good Counsel. I can't thank you enough for supporting me and helping me through it all. I love you both.**

Love,  
Gina

Dear Mom and Dad,

I know you have been through a lot to get me here but you did it perfectly. I have progressed through the years and appreciate the hard work you both put in to my life. You have put all your hope in me and I will carry out the responsibilities for the rest of my life. Also, I thank you for raising me to be the most that I can be. I cannot express my gratitude for what your love and support mean to me, but I will definitely try by using the skills you've taught me.

Sincerely, your son,  
Malcolm

Dear Mom and Dad,

It's been a long road, but I can't tell you how many times you were there by my side making sure I was succeeding. You knew what was best for me, so thank you, Mom and Dad. Thank you for all those years, making me who I am today. I wouldn't be the way I am if it weren't for both of you. If I had to change one thing in my life, I wouldn't change a thing.

Love,  
Anya

Dear Mum and Dad,

*Dear Mom and Dad,*

*Thank you for sending me to Mount Carmel. Because of your hard work I had the most amazing experience growing up. You have supported me throughout my whole life and I truly thank you for that. Without you guys I wouldn't be the person I am today. You are the most amazing parents a kid could ever have.*

*I Love You!  
Lisa*

Dear Mom and Dad,

Thank you for all that you do for me. You have dedicated your life to me. I have been at Our Lady of Mount Carmel for almost nine year. You have paid my tuition so I can return each year to this school. I appreciate you for letting me continue in a private high school by paying tuition so I can go to Stepinac. Thank you for making these choices for me so I can be with a person like Julio. You have cared for me even when I was a little baby. I especially thank you, Mom. You helped me when I didn't understand my homework, and when you dropped me at school every day and did not complain. I thank you, Dad, for the sacrifices you made to go to work when mom was not. You have taken care of your family and you have taken care of me. For that, I salute you.  
Thank you.

Your Son,  
Roy Jr.

*Dear Mom and Dad,*

*Thank you for always being by my side and supporting me. You and I both know I'm not the best child, and we have our differences here and there; but at the end of the day we agree on most of the things. I'm grateful for you making all these sacrifices you can for me to be in a private school. I will try my best to make you proud of me. I am especially grateful for you guys making all the sacrifices with money and the school, even when I have brothers in our house. Thank you for being my family, my parents, most of all thank you for being my friend. One other thing I am grateful about is for you being the greatest, respectful parents you are today. I hope when I'm ready to have children that I become just like you guys. When I become a parent I want to be a great example for my kids. If that day comes I guarantee they shall be happy, and they will be able to feel happy and loved because of you both. Thank you again for all you've done. I love you both very much!  
With love and care,*

**Dear Mom,**

**Thank you for all the things that you have given me especially the food. I have learned many things from you. You may have much more things to teach me, and show me. If I don't pay attention though, I will have to figure it out later for myself. I would also like to thank you for teaching me how to make the right decisions in life. Thank you.**

**Love,  
Vidal Harrington**

Dear Mom and Dad,

I really appreciate all the support you have given me all these ten years I have been here at Our Lady of Mount Carmel School. Thank you for enabling me to go to a private school. I know the tuition is very costly and that you have sacrificed so much to let my brother and me go to Mount Carmel. Thank you for investing in my education and thinking that education is very important. Thank you for making the choice to put me in a Catholic school. I would never have thought Our Lady of Mount Carmel would be such an enjoyable and caring place for me to gain an education.

Love,  
Julio Jr.

Dear Mom and Dad,

I would like to thank you for allowing me to be able to get a great education. I understand that you have sacrificed so much for me to come to this school and to be the best I can be. I would also like to thank you for sending me to Mt. Carmel because I have met so much nice friends and teachers here. I'm also very happy that I'm going to continue my journey in Archbishop Stepinac. I'm very happy to say that I have enjoyed my three years in this school.

Love,  
Matthew

*Dear Mom,*

*I just wanted to say thank you for everything you have done for me. The things you have done can't compare to the things that any other mom would do for their kids. There have been some troubles with life but we have gotten through them together. You have been my support since day one and have helped me through my troubles. You have taught me the rules of life but I have also taught you. I just wanted to say I love you and thank you for everything.*

*With love,  
Alexis*

Dear Mom and Dad,

You both are very special to me. Thank you for always being there for me. You helped me overcome my fears when I was younger. You are there for me when I needed someone to talk to. You always give the best advice. I can always count on you to make me laugh when I feel upset. Thank you for helping me with my self-confidence. You both make me feel better about myself when I feel insecure. Thank you for paying the tuition allowing me to go to private school. It means a lot to me to come to Mt. Carmel and get a better education here than at another school. I know I'm going to high school in just a couple of months and I will do my best to make you proud, because seeing the smiles on your faces is always my biggest reward. Thank you Mom and Dad for everything you do for me. I love you.

Migana

Dear Daddy,

I sit and look back to how far I can remember,  
And you are always there next to me.  
Each and every day you were helping me grow up,  
And making me be the best that I can be.

Your love was forever strong,  
Your cuddles forever tight.  
Every day since I was born,  
Your love was always in sight.

I will always be your Baby Girl,  
And you will always be my Dad.  
I know I will always be the luckiest,  
To have the best Dad any girl could have had.

My Daddy I love you with all my heart,  
Much more than I ever say.  
You are my world, my everything,  
I love You.

DEAR MOM AND DAD,

THANK YOU FOR EVERYTHING THAT YOU HAVE DONE FOR ME OVER THE PAST TEN YEARS. I APPRECIATE THAT YOU HAVE GONE THROUGH A LOT IN ORDER TO PUT ME WHERE I AM, IN THIS WONDERFUL AND MARVELOUS CATHOLIC SCHOOL. I KNOW THAT IT COSTS YOU A GOOD PORTION OF YOUR MONEY TO PUT ME HERE AND I REALLY AM HAPPY THAT YOU DID. BECAUSE OF YOU, I GOT THE EDUCATION I NEEDED TO SUCCEED IN THE FUTURE. I, AS WELL, WANT TO THANK YOU FOR PUSHING ME TO DO MY BEST IN SCHOOL EVEN WHEN I GOT BAD GRADES AND SOMETIMES DISOBEYED YOU. THANK YOU FOR BEING THERE WHEN I NEEDED YOU THE MOST.

SINCERELY WITH LOVE,  
PABLO

Dear Mom and Dad,

Thank you for all that you have done for me. Caring for me, helping me as much as you could, and for paying tuition for 10 years at this fantastic school is greatly appreciated. You two have done so much for me and for that I am truly grateful. Having you as my parents has been the best thing ever. I know paying for Stepinac is not easy for us but I promise that I will do my best and make sure I can stay there. Thank you for being there for me and I love you.

Love,  
Lawrence

Dear Mom and Dad,

I would like to thank you for your support and integrity through these nine years. I know how much you had to go through to put me in such a great environment. Mt Carmel has educated me since kindergarten. These magnificent last months at Mt. Carmel will be cherished with love and joy. I expect to move on to high school and come back to Mt. Carmel with lots of memories. This is why I love and respect you greatly for all you've done these past couple of years. Love ya!

Love,  
Henry

**Dear Jill and John.**

**I just wanted to say thank you for all the support you have given me during my time spent with you. Thank you for thinking solely of me and my education. I know money was tight before and it got tighter once I came. Tuition is a lot and I have no idea how you came up with it for all four kids. Since day one you have always been there when I needed you the most. Through my sad and happy days, and everything in between. I can't thank you enough. I love you with every bit of me.**

**Alexis LiVeli**

Dear Mom and Dad,

Ever since I was a little kid I have been a mess. You have stood by me when I got hurt, when I was upset, and when Gawayne got me mad. There are no words that can explain how thankful I am to have you as my parents. There are times where I disrespect you and get you angry, but that does not mean that I do not love you and that I am not grateful for the house that is over my head, the food that is on the dinner table, and the clothes, shoes and more that I have. I can honestly say that I have the best parents because you try to do everything and anything for me. At the times I give you attitudes and the times you make me mad I still love you and will always love you. My life the way it is wouldn't be the same if I didn't have you guys. I just want to say I love you Mom and Dad, and I am very much grateful for the guidance.

Love always,
