

Students entering the 7th grade in September 2018

Over the summer each student is required to write two (2) book reviews. Each review is to be a minimum of 5 paragraphs in length, typed, doubled spaced, and be sure to include a proper heading. The books are your choice, however they must be at least 150 pages in length. The first paragraph (introductory paragraph) is to include the title of the book, author, chapters, number of pages, main characters, setting (s), as well as any other pertinent information. The next three paragraphs are to explain 3 different conflicts (1 conflict per paragraph) and how they were resolved. The last paragraph, or conclusion, is a summary of the body (middle three paragraphs) of your paper. Be sure to allot the proper amount of time needed to read the books and write your reviews. If you are one who waits until the end of August to read and write, the quality of your work will be diminished! Be sure to use the writing skills that you honed over the last two years in Mr. Valerelli's English class.

I look forward to working with everyone next year!!

Enjoy your summer!!!
