

Dear Parents,

My name is Danielle Cavone and I am going to be your child's Kindergarten teacher for the coming school year 2018-2019. Enclosed you will find two calendars for the summer months. Each calendar is filled with suggestions for you to do with your child to help prepare them for this coming year. For this program it would be a good idea for you to purchase a journal/notebook in order to complete it. I hope you find it helpful. Keep in mind you should read to your child each night in addition to the calendar. Have a great summer and see you in September!

Sincerely,

Ms. Cavone
