Dear Incoming 2<sup>nd</sup> Grade Parents and Students,

Over the summer months, it is expected that your child will complete a few summer activities that will help prepare them for second grade. Each child is expected to read **3 books** over the summer and complete only one book report for each book. Attached, you will find a suggested reading list and math worksheets. *Please know that this is just a suggested list and your child may choose grade appropriate books that are not on the list.*

In addition, your child is required to participate in Mathletics. Please see the attached letter for instructions.

You will also find a list of school supplies that they will need for September.

*Please send \$6.50 in an envelope on the first day of school for an assignment pad.*

I hope that you all have a safe and healthy summer. I look forward to seeing you in September!

Sincerely,

Mrs. Penn

## Mathletics Summer Certificate Program

Dear Student,

You have been assigned to use Mathletics over the summer to practice all of the skills you have learned this year and to get ready for the beginning of next school year. You have 24/7 access to Mathletics through your unique username and password which is attached to this page below.

Over the summer months you are responsible for earning **3** Mathletics Certificates.

You can earn a certificate on a desktop computer, laptop computer, or any of our supported tablets including iPads by downloading the Mathletics Student App.

- How do I earn a Mathletics Certificate?  
You receive *one certificate maximum* when you earn 1000+ points per week (Sunday to Sunday!)
- What should I work on in my Student Console to earn points?  
You can earn points by practicing:

### Curriculum Activities

OR

\*Remember that curriculum activities are worth more points than Live Mathletics and can be done up to three times for additional points!\*

### Live Mathletics

- How can I find out how many points I've earned this week?  
Take a look at your "Weekly Points" on the left side of your screen to keep track! You'll see an award appear when you've earned more than 1,000 points that week- Remember to earn all of your points before Sunday!

- What should I do when I have met my summer certificate goal?  
Click "MY AWARDS" under your Weekly Points. Print all of the certificates you have earned throughout the summer and bring them to school on the first day to celebrate your hard work!

**IMPORTANT!** Only one certificate can be earned each week, so be sure not to procrastinate-- you can't earn all of the assigned certificates during the last week of summer!

Have a Great Summer!

# SUMMER IS HERE!

"Summer is here!" Jack shouted as he ran into Anna's room. "Wake up, wake up, summer is here!" Jack said as he tried to get Anna to wake up. Anna woke up excited about summer too. Both kids ran downstairs to eat breakfast when Anna realized she didn't feel very good. Oh no...sick on the FIRST day of summer? Anna's mom took her temperature and sure enough Anna was sick. Anna was so upset and so was Jack. They had planned a really fun summer day to celebrate and now those plans would have to wait. How would they enjoy the first day of summer if they couldn't go swimming, get ice cream, or play with their friends? Anna headed to her room to rest. Jack watched TV anxiously waiting for Anna to feel better. As Jack was watching his favorite show, he had an idea. He decided they could still have a fun day! Jack gathered up all of their favorite board games and headed to Anna's room. Jack and Anna played games the rest of the day. They had a great time even though they didn't get to do all of the things they had planned for their first day of summer.
