Summer 2023
Issue #1

A newsletter for Our Lady of Mt. Carmel, Elmsford School Community

Thanking all OLMC Families!

Sister Mary Stephen

My Dear Parents,

As another year comes to a close, I want to take this opportunity to thank you for your continued support throughout the school year. It was truly a year filled with many blessings. It would not have been so fulfilling without each and every one of you and your encouragement and loyal support. For this, the teachers and I are deeply grateful.

And now it is time to enjoy the summer with your family. Hopefully, it will be a happy and safe one.

We will use the "updated" website to post the students summer assignments and the school supplies needed for September.

As a family we have much to be grateful for, so I ask that you join me in prayer and faithfulness to mass and the sacraments during these rejuvenating days of summer. Our children need to be faithful to mass as we ask God's blessings for our families.

We are in serious need to increase our enrollment, so I ask you to keep this in mind and avail yourself of the opportunity to encourage relatives and friends to consider sending their children to Mt. Carmel.

I am available the entire summer to meet with anyone who is interested in a tour or a visit. Please call the school at (914) 592-7575 or my cell phone at (914) 433-2067.

You are our ambassadors!

Thank you! God bless you and your loved ones!

A Fond Farewell!

Ms. Koshy, our substitute teacher and her son, Lucas (7th grade) will be moving and leaving the school at the end of the school year. It is hard to put to words the huge contribution she has made and the impact she has had on hundreds of kids over the years. We'll miss Ms. Koshy and Lucas dearly, but we wish them and the rest of the family all the best!

Building Community and Friends

One of the things that makes OLMC a special place to learn and grow is the opportunity to make lifelong friends. To help build community and friendships, we've hosted a wide variety of enjoyable and entertaining social events this school year! I hope that all of our families were able to participate in some, or all, of these fun filled activities.

Some of these events include Back-to-School bash, ice skating parties, wine and cheese tasting, international dessert potluck, muffins for moms, donuts for dads, dress down days, Catholic Schools Week celebrations, ice cream socials and more!

Making Education Affordable

At OLMC, our primary mission is to provide high-quality Catholic education at an affordable cost. Our tuition remains at one of the lowest in the Archdiocese of New York.

Take a look at our "updated" school's website

<https://olmcelmsford.com/admissions/tuition-fees/> for the approved 2023-24 tuition and fees.

Our tuition model offers discount opportunities to all families who are active parish members.

Recruitment of new students to the school is essential to our goal of providing quality, affordable education to all families.

Please continue to market our school and all the benefits that we offer.

Also, remember that BINGO proceeds help keep tuition affordable, so please sign up to assist with BINGO throughout the year.
